Weight: Up to 9 kg

The bassinet is only suitable for a child who cannot sit up unaided, roll over and cannot push itself up on its hands and knees.

WARNING

Failure to follow these warnings and the instructions could result in serious injury or death.

Any damage caused by the use of accessories not supplied by Nuna will not be covered in terms of warranty.

A child's safety is your responsibility.

Be aware of the risk of open fire or other source of strong heat, such as electric bar fires, gas fires, etc., in the near vicinity of bassinet.

Before carrying or lifting, make sure that the handle is in the correct position of use.

Check that the attachment devices are correctly engaged before use.

Ensure that all the locking devices are engaged before use.

Keep small parts away from children as they pose a choking hazard.

Only use on a firm, horizontal level, flat and dry surface.

Overloading, incorrect folding, and the use of accessories e.g. child seats, bag hooks, rain covers, buggy boards, etc... other than those approved by Nuna may damage or make bassinet unsafe.

The bassinet is not to be used for long term sleeping.

The bassinet is not suitable for running or skating.

The bassinet is only suitable for a child who cannot sit up unaided, roll over and cannot push itself up on its hands and knees. Maximum weight of the child: 9kg.

The handle and the bottom should be inspected regularly for signs of damage and wear.

The head of the child in the bassinet should never be lower than the body.

To avoid any danger of suffocation, remove all plastic covers before using this item and destroy or keep away from babies and children.

To avoid injury ensure that your child is kept away when unfolding and folding the bassinet.

DO NOT leave the child unattended.

DO NOT store the bassinet in a damp place. Always allow the fabric to dry naturally away from direct heat.

DO NOT carry additional children, goods, accessories in or on the bassinet except as permitted in this leaflet. They may cause the bassinet to become unstable.

DO NOT use or add any mattress other than the one supplied with the bassinet by Nuna.

DO NOT add another mattress on top of the mattress provided or recommended by the manufacturers.

DO NOT let the child play with the bassinet.

DO NOT use the bassinet if any part of the bassinet is broken, torn or missing.

DO NOT let other children play unattended near the bassinet.

DO NOT place the bassinet near an open fire or other source of strong heat.

NEVER use the bassinet on a stand.

NEVER place the child with their head at the foot end of the bassinet.

NEVER leave a child in the bassinet when ascending or descending stairs or escalators, or when traveling on other forms of transport.

NEVER carry more than one child at a time in the bassinet. **USE** original Nuna parts and accessories only.

USE ONLY replacement parts supplied or approved by Nuna.

Any load attached to the handle or canopy affects the stability of the bassinet.

DO NOT USE THIS BASSINET ONCE THE CHILD CAN SIT UP UNAIDED.

DO NOT USE FOR UNSUPERVISED SLEEPING.

Overheating can endanger the life of your child! Take into account the ambient temperature and the child's clothing and ensure that the child is not too cold or too warm.

DO NOT place the carry cot close to another product, which could present a danger of strangulation e.g. strings, blind/ curtain cords...

DO NOT leave anything in the carry cot that could present a danger of suffocation e.g. non-rigid toys, pillows...

Be aware of the hazard of hitting the baby e.g. when putting on floor, going through the doors.

Ask a health professional for advice on safe sleeping.

Care and Maintenance

Clean the frame, plastic parts, and fabric with a damp cloth, but do not use abrasives or bleach. Do not use silicon lubricants as they will attract dirt and grime. Do not store the bassinet in a damp place.

To ensure long-lasting use, wipe this product off with a soft, absorbent cloth after using it in rainy weather and before storing away.

Refer to the care labels attached to the soft goods for washing and drying instructions.

It is normal for fabric to color from sunlight and to show wear and tear after a long period of use, even when used normally.

For reasons of safety, only use original Nuna parts.

Check regularly if everything functions properly. If any parts are torn, broken, or missing, stop using this product.
